

Eighth Traffic Safety Conference / Jordan 2017

Registration Form

Attendance Paper Presentation

Title: _____

Name : _____

Organization: _____

Position: _____

Postal Address: _____

City: _____ Country: _____

Telephone: Work: _____
Mobile: _____

E-mail Address: _____

Registration Fees

The registration fees for participant is 150 US Dollars which do not cover the expenses of accommodation and transportation during the period of the conference. Reduced fees of 100 US Dollars per person offered for the Institutions with three or more participants, and 50 US Dollars for students . Presenters of papers are exempted from paying any fees.

Method of Payment

Cash Bank Transfer check

The bank transfer is made to the Jordan Traffic Institute Account number (0010100884118102). Al-Etihad Bank.

Participants

The conference will feature invited speakers and technical sessions as well as a workshop. It will attract professionals, researchers and decision makers in the traffic engineering and traffic safety field in the Arab world and overseas. Thus it will provide a platform for all those involved or interested in road engineering safety including academics, engineers, traffic police officers, psychologists, educators, planners, environmentalists, economists, physicians, communications experts in the transportation sector and interested persons in this field in Jordan and other countries in order to discuss the obstacles and challenges facing road safety, exchange experiences, present the latest research findings and describe emerging innovative technologies and directions in traffic engineering safety focusing on applications in developing countries.

Important Dates

Deadline to submit Abstracts: 30 April 2017
Notification of acceptance: 30 May 2017
Submission of full Paper: 31 July 2017
Notification of evaluation result: 15 September 2017
Final acceptance of paper: 30 September 2017
Date of the conference: 12 + 13 December 2017

Note: - abstracts should not be more than 500 words.

Correspondences

All correspondences will be sent to the Chairman of the Organizing Committee for the 8th Traffic Safety Conference / Jordan 2017, Colonel Engineer Ahmed Al-Warawrah.

First Call

**Invitation to Present Papers and
Participate in**

**The Eighth Traffic Safety
Conference/ Jordan 2017**

Eighth Traffic Safety Conference / Jordan 2017

"Innovations in Traffic Planning , Engineering and Safety"

12-13 December, 2017

Amman – Jordan

Objectives

This conference designated “ Innovation In Traffic Planning, Engineering and Safety ” aims at presenting international scientific researches and practical experiences in the field of traffic engineering safety and bringing together research advances from around the world in order to help decision makers to develop, secure and adopt plans and strategists for the future.

Conference Themes :

1. Traffic Planning and System Optimization
2. Traffic Policy and Strategies
3. Intelligent Transport System (ITS)
4. Value Engineering Studies for Traffic Project
5. Traffic Impact Studies
6. Transport Economics and Finance.
7. Traffic and Socioeconomic Development.
8. Urban Traffic Congestion : quantification and remedial measures.
9. Urban Public Transportation : Planning , Operation and Accessibility.
10. Active Traffic Management.
11. Road Safety Analysis and Management.
12. Human Factor in Road Safety.
13. Driver Behavior and Traffic Safety Culture.
14. Safety of Vulnerable Road Users.
15. Traffic Accident Prediction and Modeling (ANN, SPF....etc).
16. Speed Harmonization and Accidents.
17. Environmental Impact of Transport (Energy Consumption , Traffic Noise , Air Pollution).
18. Travel Time Reliability and Wider Economic Benefits
19. Innovative Solutions to Traffic Problems
20. Safe System Approach to Road Safety Improvements
21. Safety Aspects of Autonomous Driving
22. Smart Cities and Smart Mobility
23. Urban and Shared Mobility
24. Safety Implications of Ground Penetrating Radar and non-destructive Technology

Languages:

- Both Arabic and English are the official languages of the conference.

Scientific Committee:

1. Prof. Khair Jadaan, University of Jordan, Chairman.
2. Prof. Essam Sharaf, Ex Prime Minister, Cairo University, EGYPT.
3. Prof. Mohamed Abdel-Aty, University of Central Florida, USA.
4. Prof. Saad Abu Qudais, Vice President, Al Balqa Applied University.
5. Prof. Omar Almaayteh, Dean, Moutaa University.
6. Eng. Omar Al Lozi, City Manager, Greater Amman Municipality.
7. Dr. Bassam Anani, Aqaba University of Technology.
8. Prof. Sobhi Bazlamit, Al Zaitouna University.
9. Prof. Abdulbari Bener, Istanbul University, TURKEY.
10. Dr. Alessandro Calvi, Roma Tre University, ITALY.
11. Prof. Monteiro Figueira, University Lusofona, PORTUGAL.
12. Prof. Basim Jrew, Al Isar University.
13. Dr. Majed Msallam, Chairman, Road and Traffic Committee, Jordan Engineers Association.
14. Dr Adam Torok, Budapest University of Technology and Economics, HUNGARY.
15. Col. Ahmed Warawreh, Director of Jordan Traffic Institute.
16. Dr. Douglas Wilson, University of Auckland, NEW ZEALAND.
17. Engineer Ethar Braizat, Development Consulting Consortium.

Workshop:

**A workshop will be held on 11-12-2017
titled
"Innovative Practices for Cost-Effective
Investments in Road Safety"**
